

# Faith Construction: Roadside Assistance – The Holy Spirit Week 12

.....

## What Are You Talking About?

It's not unusual that there is someone "behind the scenes" doing all kinds of things that are so very important, but at the same time not recognized or realized by most of us. You and I have had many people like that in our lives. Some have a great influence on our lives.

The Holy Spirit is one of those kinds of persons. He has had far, far more influence in our lives than we will ever know or realize.

We are led to believe that it is okay with Him not to receive credit for all that He does, for His main concern is that we live joined with Jesus, that we see ourselves as God sees us, that we are always aware of who and whose we are.

Even though the Holy Spirit is not concerned that He receives credit, it is good for us to be aware of some of the very important things He does which are mentioned in the Bible. The following is an incomplete listing:

- Genesis 1:2 and 2:7** (involved with creation)
- Luke 1:35** (involved with the birth of Jesus)
- John 14:16 & 16:7-15** (promised by Jesus)
- Acts 2** (empowered the first disciples)
- Romans 8:15-16** (makes us God's children)
- Romans 8:26-27** (pleads for us)
- Galatians 5:22-23** (the fruits of the Spirit)
- 1 Corinthians 12** (makes us to be the Body of Christ)

**Goal:** To be aware of all the great stuff the Holy Spirit does.
